

Make Your Own Peter Rabbit™ Bunny Ears

Join in Peter Rabbit's adventures by making your very own pair of bunny ears. Here's our step-by-step guide.

You will need:

- Paper
- A printer
- Something to colour with
- Scissors (best left to grown-ups)
- Sellotape
- Download Template

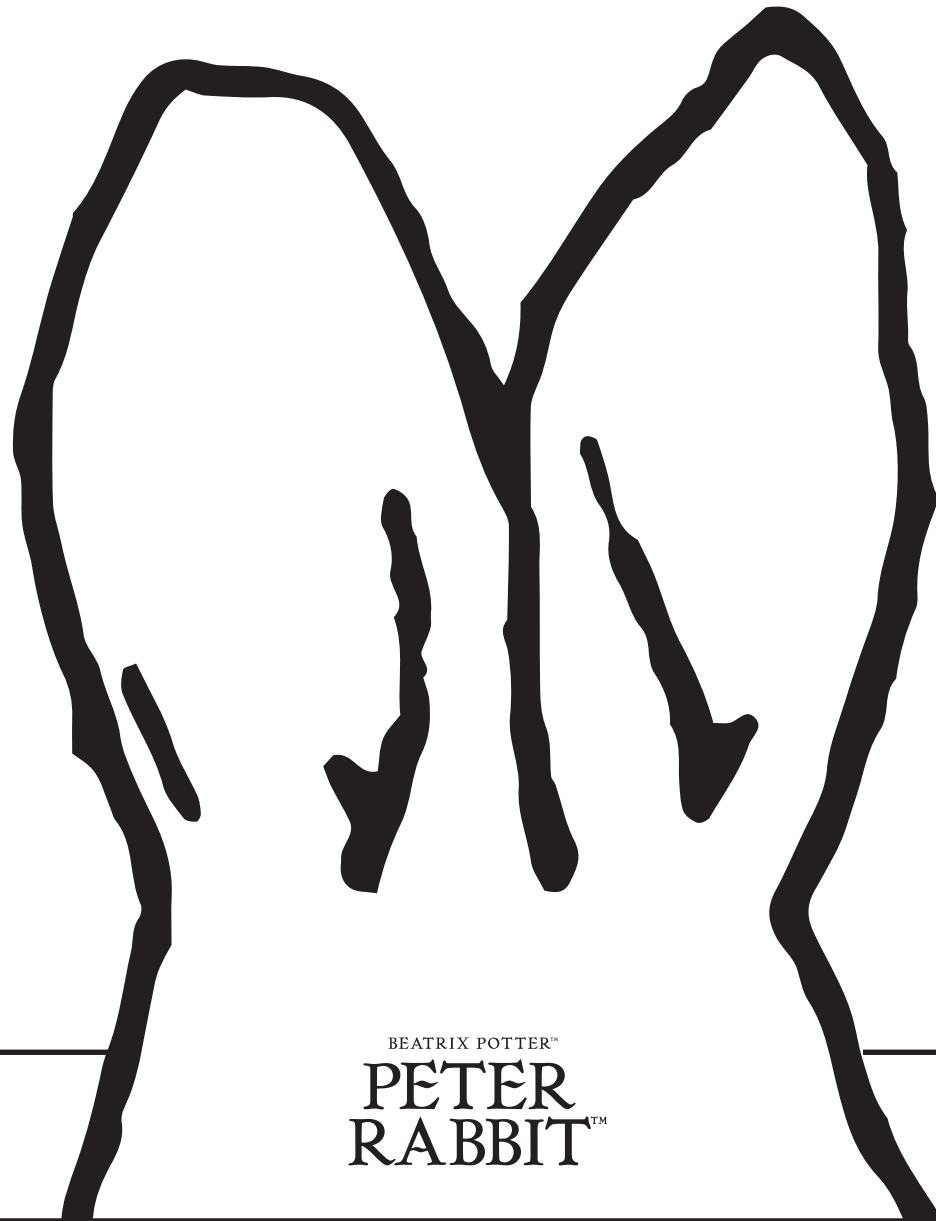

How to make:

Download and print the bunny ears template, making sure you've got some paint, felt-tip pens or coloured pencils to hand.

Get creative! Colour in your ears whichever way you like.

With a grown-up to help you, carefully cut around the lines. Better still, get someone to do it for you.

Once you've cut out the ears and strip, wrap it around your head to make sure they fit. Trim them down to size if you need to, then stick the two sides together with sellotape. Now you're all set to wear your bunny ears. Hop off and have fun, but stay out of mischief!
