

# Experience a school trip like never before

ENQUIRE ONLINE

Exploring the history of The Royal Mint and the rich heritage that influences each coin is an experience that children will remember forever. School trips to The Royal Mint Experience are available during term time and it is also one of the most interesting places to visit in the school holidays, where you will find different, family-friendly events and the opportunity to learn more about the coins in your pocket. Whether your trip is to educate pupils about British history, or to learn

## OUR WORKSHOPS

### A learning experience worth its weight in gold

#### Coin designer Years 2-6

Explore coin designs from around the world and learn how designs for the United Kingdom are chosen. Emboss your own design into foil and make a coin badge to take away.

ENQUIRE ONLINE

#### Fakes and forgeries Years 4-6

Conduct scientific tests to identify counterfeit coins. Discover the techniques that have been put in place to stop counterfeiters in their tracks.

#### Making money Years 4-6

Making its debut in 2020, our Making Money workshop allows pupils to discover how The Royal Mint has made coins through the centuries. They will find out what life was like at the Tower of London and explore how minting processes have changed. Through a series of interactive activities, they will learn about different minting techniques from hand-striking, used by medieval moneyers, to modern coin production.
